

Thank you for your interest in the 2024 Dallas/Fort Worth District Small Business Awards Program luncheon hosted by SCORE. We invite you to join us this year to support our small businesses. Please see the attached Sponsorship Levels page for opportunities.

For over 50 years, National Small Business Week has recognized the outstanding achievements of America's small businesses for their contributions to their local communities, and to our nation's economy. America's small businesses are leading the way and helping refuel our economy with help from the U.S. Small Business Administration.

The ceremony will take place on May 2, 2024. Our goal is to inspire entrepreneurs and small business owners to grow their businesses and achieve their professional goals. We believe this event will provide a prime opportunity for our sponsors to connect with a new group of potential customers. We invite you to partner with us as we continue offering this special event to local business owners and entrepreneurs.

We are planning for approximately 300 attendees. This will be a time of celebration and support for all these hard-working small businesses. As part of this sponsor package, we have included our Sponsor Levels for your review.

SCORE is a nonprofit association of more than 10,000 volunteers throughout the nation dedicated to helping small businesses get off the ground, grow and achieve their goals through education and mentorship. Our work is supported in part by the U.S. Small Business Administration, resource partners, and local business partnerships. This support allows SCORE to deliver our mentoring services at no charge and our workshops at low cost.

We hope you will choose to join us as a sponsor at the 2024 Small Business Awards Ceremony. If you have questions or would like more information about our event, please contact me at 817-773-3518.

Thank you!
