

SCORE Kansas City Workshop:

Since 2019, we have had a local expert teach a Grant Writing 101 Bootcamp on how to research, plan and begin to write grant proposals. In 2025, we had/have sessions scheduled for June and November. They will appear on the website 1-2 months in advance of the event. Review and register for the upcoming workshops at: <https://www.score.org/kansascity/local-workshops>
